

The 2017 36th Annual Reunion was filled with the “razzmatazz” of family and friendship. Yes, it was a “Family Affair.” This was the second year of having the class celebrating its 50th Year Graduation Anniversary to coordinate the Annual Reunion. The Class of 1967 did a magnanimous job. Their attention to the details of their high school journey; in addition to the attention to details of the journey of Tarboro High School to W.A. Pattillo High School were paramount in the celebration. We look forward to a stellar Class of 1968 coordination of the 37th Annual Reunion in July of 2018.

Let me thank you again for your support of the W. A. Pattillo High School National Alumni Association: its governance structure, its administrative functions and its programs. Without you and your support we would be unable to move from year to year with programs and activities that contribute so greatly to our legacy.
